**RESPONSE TO NOTICE OF
NON-COMPLIANT AMENDMENT A**

Sir:

This paper is being filed in response to the Notice of Non-Compliant Amendment mailed April 22, 2005. This Notice indicates that a complete listing of all of the claims is not present, and in particular that a listing of "claims 1-40 is missing." The Notice also indicates that only the corrected section, e.g., the entire "amendment to the claims" section, must be resubmitted. The Notice also indicates that Applicants are given one month from the mailing of this Notice to re-submit the corrected section.

Accordingly, Applicants are resubmitting a corrected **Amendments to the Claims** section which indicates that claims 1 – 40 are cancelled. Since Applicants are resubmitting this corrected section within one month of the mailing date of this Notice, it is believed no fees are due. However, Applicants conditionally petition for an extension of time to provide for the possibility that the need for such a petition has been overlooked. Please charge Deposit Account

No. 50-2121 for any required fee. Accordingly, Applicants respectfully submit the Amendment document filed on April 15, 2005 as corrected by the Amendment to the Claims section submitted herein complies with the requirements of 37 CFR 1.121.

Please amend the application as follows:

Amendments to the Claims are reflected in the listing of claims which begin on page 3 of this paper.

Respectfully submitted,
